

Dear Friends and Partners,

For the past seven years, the informal Association of the Foreign Chambers of Commerce in Slovakia has successfully organized charity events that have been uniquely special occasions. The funds that have been generated have assisted various projects and individuals to succeed in their chosen fields through our partner foundations.

This charitable tradition is becoming increasingly popular among the Slovak and Foreign Communities. Last year we supported the Slovak Foundation of Silvia Gašparovičová - Education and Health for Everybody. The money raised at the charity auction went towards buying diagnostic equipment for child oncology in Kosice.

Based on our rich experience over the previous years and because of increasing interest, we have decided to expand our traditional benefit event "one class higher" and encourage the participation of the general public who will be able to purchase tickets. The additional funds generated will hopefully provide even more help to our latest foundation partner.

This next event will be organized by **the informal Association of the Foreign Chambers of Commerce in Slovakia** with the cooperation of the **"Harmony" Foundation of Peter Dvorský**. It is to take place on September 24th in Bratislava and on September 30th in Košice under a title:

"Stars for HARMONY"

and will be a benefit concert of the best artists with the biggest heart for the "Harmony" Foundation of Peter Dvorský

We anticipate the support of more than 1000 concert enthusiasts in each city. Benefit concerts have been supported in both cities absolutely free of charge by artists such as **Peter Dvorský, Miroslav Dvorský, Jaroslav Dvorský, Martin Babjak, Adriana Kučerová, Sisa Sklovská, Katarína Hasprová, Martin Chodúr, Maroš Bango, Peter Berger, Terézia Kružliaková – Babjaková, Fragile and even Zdena Studenková.**

This year's "Stars for HARMONY" benefit concert is possible thanks to the generous contributions of the media partners and donors. In previous years we have had over 50 companies taking part in these events with their names being well known to the guests as well as through extensive media campaigns.

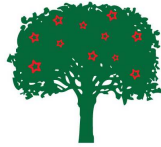

The profits from the tickets sold and from media sponsorship will go to fulfilling the aims of the "Harmony" Foundation of Peter Dvorský social program, which focused on helping children diagnosed with cerebral palsy.

We very much hope you will decide to support **this year's benefit concert of the best artists with the biggest heart - Stars for HARMONY.**

"Charity helping our neighbours and fellow is not only a matter of poverty or about the prosperity of a country. It is something more. It is about human compassion, feeling and thinking. Charity refers in particular to those who want to help, spread happiness and joy to others, selflessly, voluntarily and without expecting any profit. Such help has a deep meaning."
Peter Dvorský

Thank you in advance for your support and cooperation and we look forward to you joining with us in helping this worthy cause!
